SHOW CAPTION

INDIANAPOLIS – Chef Alton Brown, former host of “Good Eats” and “Iron Chef America,” made a stop in Indy to one of his favorite restaurants Wednesday as he was in town for his “Eat Your Science” tour.

Brown found his way to Shapiro’s Deli to tackle their famous corned beef.

This wasn't the TV personality's first visit to Indy. Brown brought a similar show to the circle city in 2014 and of course, dined at some of the area's most popular eateries like St. Elmo Steakhouse.

Following Brown's Indy show at Butler's Clowes Memorial Hall Wednesday, he made Evansville his next stop.
